MEDIA RELEASE

FREE FLY JULY at Archerfield Airport

This year, Archerfield Airport celebrates 20 years of privatisation; and to thank tenants, airport operators and pilots for their support, next month is FREE FLY JULY at the airport.

Archerfield Airport Corporation (AAC) will not charge landing fees throughout the month of July. Through this gesture, AAC trusts that FREE FLY JULY is a practical way to acknowledge the many years of co-operative partnership we have enjoyed with our airport community and a further contribution to promoting General Aviation in Queensland.
