Manoeuvring Area

Recently, there have been a few reports about pedestrians walking within the manoeuvring area not following proper procedures. For all tenants and operators who wish to enter the manoeuvring area either by **foot** or **vehicle** must ensure the following:

- Wear Hi-Vis clothing at all times
- Carry handheld radio when entering the manoeuvring area by foot
- Vehicles entering the manoeuvring area must have a radio installed
- Ensure radio communication
- Authorised access only
- Local awareness, ensure you are familiar with the airports layout
- Plan your trip - are you crossing runways during your trip ?
- "Be Seen and Be Heard"

The map below shows the approved manoeuvring area at Archerfield Airport which can also be viewed in the terminal building on the notice board.
