

AIRSIDE TAXIWAY POLICY

By using the Airport you agree to be bound by the terms of this document. All airport users, tenants and owners and operators of the aircraft at the airport should read this document.

1. References

Airports Act 1996

2. Definitions

AAC: means Archerfield Airport Corporation

ABC: means Airport Building Controller

3. Aim

The aim of this policy is to specify the responsibility for the construction and maintenance of taxiways and linkages.

4. Terms and Conditions

4.1 AAC will be responsible for the provision and maintenance of all airside taxiways.

4.2 As individual lessees have varying requirements to access these taxiways from their hangar, the lessee will be responsible for the provision and maintenance of any linkages between the hangar and the taxiway.

4.3 Any maintenance works or new linkages will require the approval of both AAC and ABC.

5. Further Information

For further information or any clarification of this policy, contact the AAC Operations Technical Manager.
